School Experiences Attendance Log

Semester _____

Directions: Candidates should use this log to document time spent in clinical placements. Every visit should be logged. You may need a different form for each course; ask your course instructor. **Multiple copies of the form may be used to log all visits.**

At the end of the semester: 1) upload your School Experiences Log in your Field Experiences portfolio on Taskstream. *For directions on how to access the Field Experiences portfolio, go to http://education.uncc.edu/ofe and click on the "Early Clinical Experiences" tab. Then click the "Taskstream Field Experiences Portfolio" link for directions.* **2) Follow any additional directions from your course instructor about submitting the form for course requirements.**
