Geographic Placement Areas for Student Teaching and Graduate Internship Supervision

Candidates who are completing their degree programs and/or licensure coursework are fortunate to be able to complete early field experiences, student teaching, and graduate internships in a wide array of school systems and in hundreds of individual schools. The College of Education has formal field experiences agreements with the following school systems:

- Anson County Schools
- Cabarrus County Schools
- Charlotte-Mecklenburg Schools
- Cleveland County Schools
- Gaston County Schools
- Iredell-Statesville Schools
- Kannapolis City Schools
- Lincoln County Schools
- Mooresville City Schools
- Rowan-Salisbury Schools
- Rutherford County Schools
- Stanly County Schools
- Union County Public Schools

Distance Education students who reside outside of the placement area and wish to complete their student teaching closer to home must contact the Office of Field Experiences two semesters prior to the student teaching/graduate internship semester.

Under limited circumstances, candidates may receive approval for student teaching and graduate internships in school systems other than those listed above. For more information, consult the information to be found at http://education.uncc.edu/ofe/policies.htm, and contact the Director of the Office of Field Experiences at 704-687-8802.
