**Internship Waiver for MAT Candidates  
Who Hold a Current Teaching License**

Candidates admitted to a Master of Arts in Teaching (MAT) degree program who hold a current North Carolina license in one area of teaching and who have passed the Praxis II exam in the new area of teaching are not required to take the internship course. These internship courses include CHFD 6400, ELED 6470, MDSK 6470, SPED 6475, and SPED 6476.

Although the internship course is not required, candidates may elect to take it. Alternately, they should consult with their advisors or program coordinators for approved course substitutions in order to meet the total credit hours required for the degree.
