

**NEW YEARLONG INTERNS BEGINNING THE YLI SEMESTER IN
SPRING 2017 AND STUDENT TEACHING IN FALL 2017**

Semester Schedule: During the semester, you will be actively involved in the classroom one day each week for the semester. You will schedule all school visits in collaboration with your cooperating teacher.

Mandatory Orientation: You are required to attend one of the mandatory yearlong internship orientation sessions. Your cooperating teacher is encouraged to attend with you. Select the session that best meets both of your schedules, and then call the Office of Field Experiences at 704-687-8802 to reserve your space.

- Thursday, January 26, 2017 Cone Center, Lucas Room 3:00 pm -5:00 pm
- Friday, January 27, 2017 Student Activity Center, Salons A & B 3:00 pm -5:00 pm

Handbook: The UNC Charlotte *Student Teaching Handbook* is available at the campus bookstore. Student teachers who have a cooperating teacher must purchase two copies of the *Handbook*. Be sure to purchase ISBN 9781465281340. One copy is for your cooperating teacher, and it should be delivered to him/her no later than the orientation session. If you have two cooperating teachers, you will need to purchase three *Handbooks*. Many questions about the yearlong internship are addressed in the *Handbook*, so be sure to read it **before** orientation.

Background Check and Health Certificate: Several school systems require a criminal background check and health certificate as a condition of the internship and student teaching. If this requirement applies to you, you will be contacted by the school system regarding mandatory sessions and activities.

A copy of the health certificate is available on the Office of Field Experiences homepage under Resources and Forms, and the Student Health Center provides free physical exams and tuberculosis tests at a nominal fee. *It is recommended that you schedule your TB test during break to avoid long lines after the semester starts. You can determine if you need a health certificate by checking the school system website for information.*

You have an exciting and rewarding experience ahead of you as you make the transition from student to teacher. The faculty at UNC Charlotte and the educators in your assigned schools are committed to providing you with a meaningful internship experience.

YOUR SPECIFIC STUDENT TEACHING PLACEMENT INFORMATION IS BELOW:

You will find your confirmed student teaching placement at the link below. In most cases, this placement will not change. **If any of the placement information is listed TBA (to be arranged), you will be notified via your UNC Charlotte email account when the Office of Field Experiences receives the information. If a school name is listed but no cooperating teacher, please do NOT contact the school to inquire about your teacher. The Office of Field Experiences will send you an email when the teacher has been assigned.** It is important that you contact your cooperating teacher right away by email to introduce yourself. Email addresses are available through the school website.
